Looking to give your loved one the Perfect Night Out?

If you're a true romantic looking for the perfect way to make your evening special, The Melting Pot of Portland has something just for you! Introducing our **Ultimate Lover's Celebration Package**.

Ask for the Ultimate Lover's Celebration Package when you make your reservation and let us do the rest. When you arrive for dinner, you'll be escorted to one of our private **Lover's Lane** booths for two. Quiet and secluded, you'll feel like you're the only couple in the restaurant.

Waiting on your table when you arrive will be one dozen stunning, long-stemmed roses, two keepsake Melting Pot champagne flutes, and a bottle of 1998 *Perrier-Jouet Fleur de Champagne*, already chilled for your arrival.

Each bottle of this exquisite champagne is individually hand-painted with *Perrier-Jouet's* famous design of swirling anemones. You can rest assured that the detail and craftsmanship does not stop on the outside of the bottle; inside lies one of France's very finest champagnes.

The Ultimate Lover's Celebration Package

also includes our all-inclusive four course fondue meal for two: *The Big Night Out*. Prepare to enjoy a relaxing, two hour dining experience with your loved one. After all, fine dining, like romance, is not meant to be rushed.

The final touch on an outstanding evening, we'll take your photo and present it to you in a stainless steel Melting Pot frame.
