The Melting Pot Fundraising Events

We at the Melting Pot would like to help your organization. Since the current economic forecast is changing the way we all allocate our money we realize you may need more ways to offer donors of all incomes and ages, the opportunity to help. The Melting Pots in Austin can offer a way to do that.

We would like to offer an efficient, fun and easy way to help your organization raise funds and local awareness with a Fondue Fundraiser Night. Your attendees will be offered a set price Three-Course Fondue Dinner, and a way to have a great night out and to help raise funds for your organization.

We will create a special menu similar to the one attached which can be posted on your events board and can be promoted through your email list, staff, volunteers, newsletters, handouts, web site or invitations. If you feel attendance will be large we can offer two nights for convenience. The restaurant needs to clear \$29.00 per person for the feature menu. You may determine the cost to the attendee, knowing that anything above the \$29.00 goes to your total for your organization. You can choose to offer the dinner from \$35.00 on up depending on your knowledge of your supporters and how much you would like to make during the event. We take care of the rest. The attendee calls us for the reservation or questions. Our computer tracks how many feature menu options were ordered during the night. The next morning we do the totals from the nightly report and send you a check.

You can send us your tax exempt donation forms and we will fill them out for each guest if they need one.

Feel free to call me with questions or ideas. We are looking forward to pairing with you in the near future.

Fonduely,
