

Romance Package

Our all inclusive package is the best way to make your special occasion even more memorable. We will have 1 dozen roses waiting at your private curtain booth when you arrive, along with a split bottle of Moscato D'Asti and two logoed champagne glasses. While the two of you are enjoying your four course Big Night Out dinner, we will come around and take a picture to capture your special evening, and frame it in one of our souvenir frames.

\$150 per couple
