FONDUE FOR THE KIDS 2009

We would like to thank you for your considerable donations to St. Jude Children's Research Hospital® made over the past few months during our *Thanks and Giving*® campaign. All Melting Pot restaurants across the country donated \$1 per Big Night Out and gave guests a Fondue for the Kids card for \$20 off a purchase of \$50 or more in 2009 for every donation of \$10 to St. Jude. This was our fifth year with St. Jude as our national charity and to date we have raised over \$4 million, thanks to you - our loyal guests and the dedication of our employees.

Every year more than 4,000 servers nationwide work hard to win a trip for two to Memphis, Tennessee, the home of St. Jude. This trip is awarded to the top five servers who raise the most money during the *Thanks and Giving*® campaign. The highlight of this trip is a visit to the hospital, where the winners get to meet patients and serve The Melting Pot's famous chocolate fondue to the kids of St. Jude. We are very much looking forward to this trip, coming up in the next few months. Once again, thank you from the bottom of our hearts for helping us to make a difference in the lives of St. Jude kids. It costs \$1.4 million to run the hospital for one day and with your help, we can continue to Fondue for a Cure...
