~ At ~

THE MELTING POT OF FT LAUDERDALE

It would be our pleasure to help you in your fundraising efforts. Our business is helping the community and creating memories! Let us provide a dining experience that your supporters will always remember!

We will provide you a discounted package meal. You will set your price for the event and publicize it through your marketing channels. Our creative marketing department would be happy to help you with your marketing materials* including HTML email creative.

(*Thank you for understanding that our creative marketing department must approve all advertising materials)

We highly recommend you sell tickets to the event. Your organization will keep the difference of your ticket price and your cost. Additionally, The Melting Pot Bar will serve alcohol for consumption and donate 25% of all bar revenues to your organization.

We will be happy to provide space for a silent auction or vendor reception at no additional charge. This is your evening and there is no facility fee!

Your event will be held over a multi-seating, 4-hour time frame where your supporters will call and make their reservation directly with us. When they arrive, they will present us with one ticket per person. We will keep note of their name and forward you a copy of their check for your records.

See our suggested Fondue fundraiser packages below and your cost per person, or we can create a special package exclusive for your supporters!

We look forward to serving you and supporting your organization!

Bill Schmearer, Proprietor
