FONDUE RAISER WEEK

~ At ~

THE MELTING POT OF FT LAUDERDALE

It would be our pleasure to help you in your fundraising efforts. Our business is helping the community and creating memories! Let us provide a dining experience that your supporters will always remember!

We will provide you a discounted package meal to advertise to your supporters. We know schedules are hectic so rather than make this a single fundraising event, we can offer you this package meal for one whole week. Through your marketing channels, you publicize this fundraising week, the discounted package meal and a password. We can help provide any **creative material** you may need including any HTML email creative. (*Thank you for understanding that we must review all creative marketing materials before they are advertised*)

Your supporters will then choose an evening to have fondue during the fundraising week. They will call and make their reservation directly with us giving us the password, so they can receive the discounted package meal.

We will keep note of their name and a copy of their dinner check. At the end of the week, we will total all of your fundraising sales. We will then present your organization with a copy of all dinner checks as well as a check equal to 20% of ALL revenues collected from your supporters!

See our Fondue raiser packages below or we can create a special package exclusive for your supporters. We look forward to serving you and supporting your fundraising efforts!

Bill Schmearer, Proprietor
