How did you hear about our large parties? \_\_\_\_\_

All prices are food only. Additional beverages, tax and 18% gratuity are not included in the package price and will be added to the final bill. The party agrees to provide a final head count to the large party event coordinator two days prior to the event date. If no final head count is given two days prior, the party will be billed for the number of guests provided on the Large Party Agreement. The restaurant will only block space for the agreed upon number of guests. The restaurant reserves the right to use any tables around the party unless other arrangements are made through the event coordinator and written in the final agreement above. Large parties are booked for two to four hours, depending on the size of the party. As a courtesy to other guests booked after your reservation please ask your guests to arrive on time and allow for travel and traffic conditions. A "NO-SHOW" fee of \$20 per guest will be charged to your credit card if your party fails to call and cancel the reservation by 5 p.m. two days prior to the event. A reservation will not be held for your party until contract is returned or credit card given for cancellation purposes. Although we can apply separate payment denominations to the total check, we are unable to provide separate itemized checks. If your party goes over the allotted reservation time, The Melting Pot reserves the right to move the party into the bar area or a different room. If you would like to book the party room for the entire night, please let the booking manager know when confirming the reservation.

**By signing my name, I authorize The Melting Pot to take my credit card information over the phone for cancellation purposes and enter it into their secure electronic vault.**
