

# Wine List

Our extensive wine list is designed to represent the major appellations, varietals, and best wineries from around the world. There are a wide variety of brands and styles to please those just beginning to appreciate wine as well as the adventurous experimenters. The list is organized progressively by varietal, which means that generally the wines are increasing in intensity the further down the list and category you go. Periodically, availability, appellations and vintage may change. Please ask your server to assist you with finding your favorite, or to help you select a favorite to complement your Melting Pot experience.
