SPECIAL REQUESTS?

All 4-course selections include food, soda, coffee and tea only. Additional beverages, tax and 20% gratuity are not included in the package price and will be added to the final bill. The party agrees to provide a final head count to the Indianapolis Melting Pot at indymeltingpot@comcast.net three days prior to the event date. If no final head count is given three days prior, the party will be billed \$25 per person for the guests who do not show up based on the guest count provided on the Large Party Agreement. The restaurant will only block space for the agreed upon number of guests. The restaurant reserves the right to use any tables around the party unless other arrangements are made through management and written in the final agreement above. If you would like to book the entire party room, you must have at least 25 guests in your party and will be charged for all 25 guests. Any parties under 25 guests must pay a minimum of \$250 for the event.

Large parties are booked for a leisurely three hours. As a courtesy to other guests booked after your reservation, please ask your guests to arrive on time and allow for travel and traffic conditions. Late arrivals are subject to a shortened reservation time. A reservation will not be held for your party until the contract is returned. We require a Large Party Agreement, similar to other restaurants with banquet facilities, wedding venues or any other contracted service. This ensures your party operates smoothly, staff is dedicated to your event, the kitchen has ample time to prepare, and all you have to do is enjoy your event.

I have read the above and understand the terms under which this reservation is made.
I have checked the party information and filled in the final agreement, and I attest to its accuracy.
