SPECIAL REQUESTS?

All prices are food packages and soda, coffee and tea only. Additional beverages & tax are not included in the package price and will be added to the final bill. The party agrees to provide a final head count to the marketing and event coordinator, at indymeltingpot@comcast.net three days prior to the event date. If no final head count is given three days prior, the party will be billed for the number of guests provided on the Large Party Agreement. The restaurant will only block space for the agreed upon number of guests. The restaurant reserves the right to use any tables around the party unless other arrangements are made through the event coordinator and written in the final agreement above. Large parties are booked for three to four hours. As a courtesy to other guests booked after your reservation please ask your guests to arrive on time and allow for travel and traffic conditions. A charge of \$10 per guest will be charged to your credit card if your party fails to call and cancel the reservation by 5 p.m. three days prior to the event. A reservation will not be held for your party until contract is returned. Although we can apply separate payment denominations to the total check, we are unable to provide separate itemized checks.

I have read the above and understand the terms under which this reservation is made.
I have checked the party information and filled in the final agreement and I attest to its accuracy.
